

Signature Bank Expands With New Chicago-Area Headquarters

Commercial Banking Growth Spurs Need For New Facility

ROSEMONT, IL – April 14, 2014 – Signature Bancorporation, Inc. today announced that has opened its new headquarters location in Rosemont, Illinois at 9701 Higgins Road. The office will mark the bank’s fourth Chicago-area location since opening its doors in 2006. Signature Bank will maintain its three other Chicago locations – a retail branch in Chicago’s Edison Park neighborhood, a retail office on Wacker Drive, and a business banking office on Franklin Street.

The central location of its new Rosemont headquarters will allow Signature Bank to better accommodate both the suburban and city locations of its growing employee and customer base. In addition, the new facility is much larger and includes space reserved for future growth.

“This is an exciting time at Signature Bank and this move reflects our strong financial position and commitment to being Chicago’s business bank,” stated Michael O’Rourke, president of Signature Bank. “Our new facility provides more space for better collaboration and more convenient access to our Chicago and suburban customers and prospects. We also anticipate its accessible location will support our recruiting efforts as we strive for continued growth in 2014.”

In addition to its new location, Signature Bank has hit another milestone by surpassing \$450 million in assets, the vast majority of which is commercial banking business. This places Signature Bank among the largest commercial and industrial portfolio banks in the nation for banks under \$1 billion in assets.

Signature Bank is headquartered at 9701 Higgins Road, Suite 500, Rosemont, IL 60018 and can be reached at 773-467-5600 or through <http://www.signature-bank.com>.
